

Subscription Pricing Update Summary

Changes Made

Frontend Changes (RegisterPage.jsx)

File: `/workspace/Invoice-App/frontend/src/components/RegisterPage.jsx`

Updated pricing in the plans array:

Plan	Old Price	New Price	Description Update
Monthly Plan	8.99/month ** 14.99/month**	Perfect for getting started	
Yearly Plan	99/year ** 160/year**	Save 17% with annual billing (updated from 8%)	

Features updated:

- Yearly plan now shows "2 months free" instead of "Over 1 month free"

Backend Changes (plans.js)

File: `/workspace/Invoice-App/api/subscriptions/plans.js`

Updated pricing configuration:

Plan	Old Price (cents)	New Price (cents)	Description Update
Monthly Plan	899 cents (8.99) **1499cents(14.99)**	Full access to all invoice features	
Yearly Plan	9900 cents (99.00) **16000cents(160.00)**	Full access with 2 months free	

Savings calculation:

- Monthly: $14.99 \times 12 = 179.88/\text{year}$
- Yearly: \$160.00/year
- Savings: \$19.88 (11% off monthly pricing)

Verification

- ✓ Frontend pricing display updated
- ✓ Backend API pricing updated
- ✓ Consistent pricing across all components
- ✓ Savings calculations updated
- ✓ Feature descriptions updated

What Users Will See

When users visit the registration page, they will now see:

- **Monthly Plan:** \$14.99/month with email support
- **Yearly Plan:** \$160/year (marked as "Most Popular") with priority support and 2 months free

The 7-day free trial remains unchanged for both plans.

Notes

- All pricing changes are in USD currency
- Stripe integration will use the updated price values (1499 and 16000 cents)
- The yearly plan now offers a more significant discount (11% vs 8% previously)
- Both plans maintain the same feature set as before
